متن سام را درباره مزایای زندگی در روستا بخوانید و به سوالات زیر پاسخ دهید.

Hi. I'm Sam. Here are some reasons why I am crazy about living in a village. I like the clean air, the sunshine, and the quiet of the country. The country is so fascinating. I enjoy the beautiful nature. There is no air pollution, land pollution, light pollution, noise pollution, and visual pollution. By visual pollution I mean skyscrapers that block the natural view, billboards, litter and so on. In the country we are much healthier, too.
