Iran has a lot of beautiful places to see. One of them is the green village of Kandelous, located in the southeast of Nowshahr. The beautiful architecture of its houses is notable. The roofs of the houses are covered with wood or ceramics. Major occupations in Kandelous are farming and raising animals. Peaches, wheat and apples are the main products of its gardens and farms. Handicrafts like socks, chadors and carpets are sold in local bazaars.

Moderate climate and mineral water springs make the village really attractive. There are also two museums of anthropology and herbs there. Eye- catching and beautiful landscapes and hospitable residents of the village attract lots of tourists.

1. Kandelous is located in the north of Noshahr.
2. Apples and peaches are products by gardeners.
3. The best season for tourists to visit Kandelous is fall.
4. There are several springs in Kandelous.
5. Handmade shoes are the handicrafts of the people in the village.
6. Farming is a main job in Kandelous.
